**Instructions to Complete
Utah WIC
Formula and Food Authorization Form
Infants up to 12 Months of Age**

Step A: Complete patient information.

Step B: Indicate all medical diagnoses that apply to patient. If diagnosis is not listed, please write in the ICD 10 Medical Diagnosis that applies.

Step C: Formula/Product

NOTE: Please see list of WIC contract formulas that do not require this authorization for infants < 12 months.

- List name and brand of formula required.
Authorization should be based on medical need and not patient preference.
- Specify if the requested formula is powder, concentrated liquid, or ready to feed.
- Indicate quantity of authorized food or formula needed per day. Please give specific amount needed - no ranges can be accepted.

NOTE: Breastfeeding mothers may request less than full formula feeding mothers.

Step D: Please indicate if WIC Complementary Foods are allowed or if there are any restrictions.

For infants, foods are given at ≥ 6 months of age. **Infant meats are only available for fully breastfeeding infants.** (Full provision of WIC food packages are listed below.)

Step E: Specify the length of time this formula and food authorization will be valid.

**Pharmacy-ordered premature formulas must be requested monthly.

Step F: Health Care Provider Information must be signed by a Utah state licensed prescriptive authority.

Utah WIC Rebate Formulas

Issuing the following contract formula doesn't require the use of this form and will be more cost effective allowing the Utah WIC Program to serve more participants

Similac Advance

Gerber Good Start Soy

Gerber Graduates Soy

The following formulas must be ordered by the health care provider, using this form, and will still result in a rebate

Similac Sensitive

Similac for Spit Up

Similac Total Comfort

Full Provision of WIC Formula and Food*

Infants

0-3 months of age:
