Effective October 2016

Utah WIC Program

Authorized WIC Foods

Healthy Children, Healthy Families
Using your **WIC Checks**

1. Take your WIC ID Packet with your checks to any WIC approved store.

2. Use the checks for the current month based on the “First Date to Use” and “Last Date to Use.”

3. Separate your WIC items, by check, from your other purchases.

4. If you cannot find an item, speak with customer service or a grocery clerk.

5. At the cash register, give your WIC check(s) and WIC ID Packet to the cashier.

6. The cashier will write in the correct purchase price.

7. Sign within the box using black ink. Your signature must match the signature on your WIC ID Packet.

- You may not return your WIC foods to the store for cash, credit or other items.

- Please treat store staff with respect and courtesy.

- If you have problems at the grocery store, speak with the store manager to resolve the problem. If the manager is unable to resolve the problem, call your WIC clinic or the State WIC Program at **1-877-WIC-KIDS**. Make sure to keep track of the store name, date/time, names of people involved, and save your receipt.
Never sell, trade, or give away WIC foods; this is considered fraud. It is not required to purchase all items on your checks. Speak to the WIC staff if you do not use or need all the foods listed on your checks. If you suspect any fraud, please report it to your local WIC clinic.

*Store Brands/Private Labels*: A store brand (also called a private label) must be purchased when indicated in the Utah Authorized WIC Foods booklet. Some examples of store brands/private labels include: Western Family, Kroger, Great Value, Signature Kitchens, Signature Farms, Lucerne, Harmons, Market Pantry, WinCo, (Malt-O-Meal cereals are authorized under this definition). Other store brands/private labels may be available. If a store carries more than one store brand/private label then either product may be purchased regardless of price. If the store does not carry a store brand/private label for the WIC food item, then the cheapest brand can be purchased.

When certain brands are specified in the Authorized WIC Foods booklet, only those brands listed may be purchased.

Organic: Organic food items are not allowed except for fresh fruits and vegetables.

Special Food Letter: Foods not listed in this booklet may only be purchased if your WIC clinic gives you a “Special Food Letter.” The letter must be printed on local or State Health Department letterhead.
