- When:** Friday, May 15, 2015
6 p.m.
- Who:** Sponsored by Ogden City, the Get Out and Live (GOAL) Foundation and the Weber-Morgan Health Department.
- Why:** The Mayor's Walk is part of Ogden's Health Living Initiative in partnership with Weber-Morgan Health Department's Environment Policy and Improved Clinical Care Program (EPICC).

“We often hear that just getting out the door is the most difficult step when people say they want to develop good exercise habits. We see this walk as a great opportunity not only to exercise but to get out and socialize and celebrate in our community,” Weber-Morgan Health Department Executive Director Brian Bennion said.
