PhotoVoice Exhibit Illustrates Health in Weber and Morgan

- What:** Interactive photo exhibit featuring photos taken by residents of Weber and Morgan counties depicting what they see as good and bad about health in our community. Residents are invited to stop by the Weber-Morgan Health Department and participate in the interactive photo exhibit, select the photos which represent health issues important to them or leave a comment/suggestion about what's missing.
- Where:** Weber-Morgan Health Department
477 23rd Street
Ogden, UT 84401
- When:** Monday, April 27 through Friday May 1
8 a.m. to 5 p.m.
- Why:** The information gathered through this PhotoVoice exhibit will be compiled along with other socio-economic data and 11 community focus groups that have been held throughout the Weber and Morgan health district into a Community Health Assessment being conducted by students from Weber State University's Jerry & Vickie Moyes College of Education in partnership with Weber-Morgan Health Department.
