

School Immunization Clinic Information

6th Grade only

Office Use Only
CA/CK

Dear Parent or Guardian:

Your elementary school and Weber-Morgan Health Department are pleased to announce they are partnering to provide an Influenza, Tdap, HPV, and Meningococcal vaccine clinic at your child's school. It is recommended that all children over the age of 6 months receive an annual influenza vaccine to prevent illness and hospitalizations. Tdap, HPV, and Meningococcal vaccine are recommended for all students entering 7th grade. School nurses and health department nursing staff will be offering these vaccinations to all 6th grade students at your child's elementary school. Parents and siblings are welcome to attend with their child and may receive vaccinations at the same time.

- **For Clinic dates and times**, see the attached calendar. You can also go to your school website, or www.webermorganhealth.org.
- **Please read the vaccine information statements at www.webermorganhealth.org** or call 801-399-7250 for a paper copy. They will answer questions you may have regarding these vaccines.
- **Please fill out both sides of this form.** You can also go to your school web site, or www.webermorganhealth.org and print the forms.
- **Please send the completed form back to the school on the day of the clinic.**
