## **WMMRC POLICIES: VOLUNTEER RISK**

---

Weber-Morgan Medical Reserve Corps intends to mitigate and prevent risks to volunteers. Attempts will be made to reduce risks to volunteers through training, education and use of universal precautions. In addition, volunteers will be matched accordingly to positions for which they have the skills and qualifications to fulfill safely.

Be aware, however, that some unanticipated risk possibilities may be present both during a public health emergency and during non-emergency work with direct patient contact. Weber-Morgan Medical Reserve Corps volunteers agree to assume their own risk as a volunteer. Any incidents, accidents or injuries should be reported to the Weber-Morgan MRC Coordinator immediately.

**I have read the Weber-Morgan Medical Reserve Corps policy on Volunteer Risk. I understand its contents and have had the opportunity to ask questions regarding my risk as a volunteer. I agree to assume my own risk as a volunteer and will report any incidents, accidents, or injuries immediately to the WM MRC Coordinator.**
