

Dear Parent or Guardian:

Weber Morgan Health Department and Ogden City School District are partnering to help protect students and teachers against flu. School nurses and health department nursing staff will be offering flu vaccination clinics at your child's elementary school. A schedule of clinics is provided at the bottom of this letter. Clinics will be open until all grades are completed. Parents are welcome to bring in siblings at the beginning of the clinic if desired.

The attached vaccine information sheets will answer questions you may have regarding the vaccine. **Please fill out the consent form on the back of this paper**, or you can go to www.webermorganhealth.org and print the form. Have your child bring the completed consent with their payment to school the day of the clinic.

CA/CK

Please choose one of the following payment categories:

- My child has no insurance. Please attach a \$15 payment.
- My child has insurance, but it does not cover flu vaccinations. Please attach a \$15 payment.
- My child has Medicaid – CHIP – Select Health – PEHP insurance. Weber Morgan Health Department is able to bill for these insurances. No payment is necessary if the required insurance information is filled out below.
Insurance Name or Medicaid HMO _____ Policy # _____
Policy Holder Name: _____ Policy Holder Date of Birth _____
- My child has insurance that pays for flu immunizations, but it is not listed above. Please attach a \$15 payment.
- Adult \$25.00, unless you have one of the insurance plans listed above.

Cash or check is acceptable. Make check payable to “WMHD”
